

RELAX PAYING YOUR BILLS JUST GOT EASIER

The world seems to move at a faster pace these days, and time is a precious commodity. So to help preserve your time we offer an automatic bill payment plan. It is the most time efficient, convenient, dependable, and least expensive way to pay your monthly energy bill.

Enrollment Is Easy.

Simply complete the authorization form and return with your bill payment to begin enjoying the ease of the Automatic Bill Payment Plan. Please attach a voided check or deposit slip to start your enrollment.

How The Automatic Bill Payment Plan Works.

Once enrolled, we will continue to mail you a statement that shows the exact amount and the exact day your payment will be automatically deducted from your bank account on the due date of the bill. Your statement will clearly indicate that your bill will be paid by bank draft. If you currently read your own meter, you will still need to read your meter and either mail, email to dsore@informatics.net or call the reading into the office at 1-800-376-3533 at the 1st of every month.
