

Rider I-LC-17

Load Control for Irrigation

Last Revised: 12-19-2016	Effective: 1-1-2017	Page: 1 of 1
--------------------------	---------------------	--------------

This rider replaces I-LCR-10.

APPLICABILITY

This rider is applicable to services currently being served under the Irrigation rate schedule.

RIDER

If the member agrees to participate in DS&O's Load Control Program, then the member shall receive a credit of \$22.50 per connected horsepower, as defined in the Irrigation rate schedule.

If the member chooses to no longer participate in DS&O's Load Control Program during the contract year, then the member shall be subject to the terms of the Irrigation rate schedule for that year and thereafter. The member may renew his or her participation in DS&O's Load Control Program.
